Orlando, FL 32804
407-303-5600

Medical Imaging

We provide safe, high-quality, medical imaging services with a proven record of superior accuracy. Our team of board-certified, subspecialized radiologists is experienced in identifying a high volume of common and obscure conditions. All of our technologists participate in rigorous, continued-education programs and have earned certification by the American Registry of Radiologic Technologists (ARRT). Additionally, our medical imaging suite is accredited by the American College of Radiology (ACR), ensuring that we adhere to the highest levels of quality and radiation safety.

407-303-1414

Surgery

Our general surgery team has created a compassionate, patient-centered environment designed to provide personalized medical, emotional and spiritual support to each one of our patients. We are proud to have some of the finest surgeons, nurses and staff who are leaders in their respective fields. Anesthesia is administered by board-certified anesthesiologists and certified nurse anesthetists through the AdventHealth Department of Anesthesiology. And, our clinical-support team is here to answer any questions you may have about your procedure and familiarize you with the people who will provide your care before, during and after surgery.

Orlando, FL 32804
407-303-5600

Emergency Care

We have built one of the largest comprehensive emergency rooms in the United States designed to maximize quality and efficiency of care. Our 62,000-square-foot facility in Orlando is capable of treating 90,000 emergency cases a year — including thoracic and general surgery, orthopedics, neurology and neurosurgery, cardiology, pediatrics and internal medicine. Plus, an integrated medical-imaging center reduces the time it takes to perform vital MRI, CT and PET scans.

Psychiatry

We know that feeling whole is about achieving a synergy between physical, emotional and spiritual health. When one is out of balance, it is challenging to live out your best life. That's why our holistic approach to behavioral and mental health care treats body, mind and spirit. Our team of highly qualified and experienced psychiatrists, nurses and support staff offer a full range of inpatient and outpatient services, including initial evaluations, psychotherapy, medication management, and pediatric and geriatric psychiatric services. And as part of the AdventHealth Orlando network of care, you are connected to an extensive list of specialists in nearly every medical discipline who can help you feel whole once again.

Orlando, FL 32804
407-303-5600

Lab Services

As the Outreach Laboratory Service of AdventHealth, AdventHealth Lab (AHL) was established in 1984 to expressly meet the laboratory needs of the surrounding community and hospital affiliates. For AHL, providing laboratory services to patients and clinicians outside the hospital walls is the natural extension of our hospital mission; “To Extend the Healing Ministry of Christ”. AHL is proud to be a part of AdventHealth and provide the clinical and technical excellence necessary to care for the whole person.

Eden Spa

Eden Spa features an array of traditional spa services including hair styling, manicures and pedicures, facials, body hair removal and many types of massage. We use all-natural, organic and vegan products designed to gently nourish sensitive skin and hair that is commonly brought on by some types of cancer treatment.
